# Methode Cholley

## The best of Swiss Phytobiology

METHODE CHOLLEY incorporates a series of scientifically designed and clinically tested programs for the face and body. Under a licensed system of professional and home use treatments, METHODE CHOLLEY is the synthesis of modern Swiss technology skin care science and time tested traditions drawing on recovering and rejuvenating of botanical plants and natural extracts. METHODE CHOLLEY's five product lines: CHOLLEY, BIOCLEAR, BIOGREEN, CELLPEUR and BODASTOUR provide a total approach to your skin's preservation, health and beauty.
